

ITA International Wins \$14.4 Million Contract for Technical and Analytical Support Services for NECC

YORKTOWN, Va., October 7, 2010 – ITA International, LLC (ITA) was awarded a competitive-bid \$14.4 million base plus four-year indefinite delivery/indefinite quantity contract by the Naval Surface Warfare Center (NSWC) Panama City, for technical and analytical program management in support of the Navy Expeditionary Combat Command (NECC). ITA will provide technical, analytical, logistical, financial and program support in Expeditionary Warfare and related mission areas to NECC, and assigned subordinate commands.

“We are pleased and proud to earn this opportunity to provide continued support to NECC for their current and future missions,” said Michael E. Melo, President of ITA International, and the Small Business Administration (SBA) Region III Minority Small Business Person of the Year. “We are especially proud in the knowledge that the support that ITA provides is important to the readiness of NECC and its important mission to man, train, and equip the Navy’s Expeditionary forces.”

ITA International is a global support services company focused on maritime and coastal environments whose mission is to provide analysis, planning, training, marine services and support services to government, non-governmental organizations and commercial clients worldwide.

ITA is a Service Disabled Veteran Owned Small Business, an 8(a) Participant/Small Disadvantaged Business, and one of Inc. 5000’s fastest growing companies. The company took first place in Virginia’s 2010 Fantastic 50, for highest overall growth rate. The Virginia Chamber of Commerce Fantastic 50 awards recognize leading businesses across the Commonwealth in all types of industries, and are the only statewide awards of this type in Virginia.
